**Report on the Audit of the Financial Statements**

***Opinions***

We have audited the accompanying financial statements of the governmental activities, business type activities and blended component unit of the Housing Authority of the City of Englewood, as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Housing Authority of the City of Englewood basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business type activities and blended component unit of the Housing Authority of the City of Englewood as of December 31, 2021, and the respective changes in financial position, and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Housing Authority of the City of Englewood and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Housing Authority of the City of Englewood's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the City of Englewood's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements. Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Housing Authority of the City of Englewood.
- Housing Authority of the City of Englewood's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and OPEB and PERS supplemental information on pages 5 through 18 and pages 64-68 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the City of Englewood's basic financial statements. The accompanying supplemental information on pages 69-79 is presented for additional analysis and is not required part of the basic financial statements.

The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The electronic filed Financial Data Schedule is presented for additional analysis as required by the U.S. Department of Housing and Urban Development's Real Estate Assessment Center and is also not required part of the basic financial statements.

The Schedule of Expenditures of Federal Awards the Financial Data Schedule are the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In our opinion, the Schedule of Expenditures of Federal Awards and the Financial Data Schedule, is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### ***Other Information***

The financial statement of the Housing Authority of the City of Englewood as of December 31, 2020, was audited by other auditors whose report dated December 10, 2021, expressed an unmodified opinion on those statements.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 16, 2022, in our consideration of the Housing Authority of the City of Englewood's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Housing Authority of the City of Englewood's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Housing Authority of the City of Englewood's internal control over financial reporting and compliance.

**USING THIS ANNUAL REPORT**

The Housing Authority's annual report consists of financial statements that show combined information about the Housing Authority most significant programs:

1. Business Activities – RAD Program
2. Section 8 Housing Choice Vouchers

The Housing Authority's auditors provided assurance in their independent auditors' report with which this MD&A is included, that the basic financial statements are fairly stated. The auditors provide varying degrees of assurance regarding the other information included in this report. A user of this report should read the independent auditors' report carefully to determine the level of assurance provided for each of the other parts of this report.

**OVERVIEW OF THE FINANCIAL STATEMENT PRESENTATION**

This discussion and analysis are intended to serve as an introduction to the Housing Authority's basic financial statements. The basic financial statements are prepared on an entity wide basis and consist of:

- 1) Statement of Net Position
- 2) Statement of Revenue, Expenses, and Changes in Net Position
- 3) Statement of Cash Flows
- 4) Notes to the Financial Statements

The Authority's financial statements and notes to financial statements included in this Report were prepared in accordance with generally accepted accounting principles (GAAP) applicable to governmental entities in the United States of America for the Enterprise Fund types. The Authority's activities are primarily supported by HUD subsidies and grants. The Authority's function is to provide decent, safe, and sanitary housing to low income and special needs populations. The financial statements can be found on pages 19 through 23.

MANAGEMENT'S DISCUSSION AND ANALYSIS  
ON DECEMBER 31, 2021**

**OVERVIEW OF THE FINANCIAL STATEMENT PRESENTATION - CONTINUED**

Statement of Net Position – This statement presents information on the Authority's total of assets and deferred outflow of resources, and total of liabilities and deferred inflows of resources, with the difference between the two reported as net position. Over time, increases or decreases in net position will serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

Statement of Revenue, Expenses and Changes in Net Position – This statement presents information showing how the Authority's net position increased or decreased during the current year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash inflows and cash outflows in the future periods.

Statement of Cash Flows– This statement presents information showing the total cash receipts and cash disbursements of the Housing Authority during the current year. The statement reflects the net changes in cash resulting from operations plus any other cash requirements during the current year (i.e. capital additions, debt payments, prior period obligations, etc.). In addition, the statement reflects the receipt of cash that was obligated to the Housing Authority in prior periods and subsequently received during the current year (i.e. accounts receivable, notes receivable, etc.).

Notes to the Financial Statements - Notes to the Financial Statements provide additional information that is essential to a full understanding of the data provided. These notes give greater understanding on the overall activity of the Housing Authority and how values are assigned to certain assets and liabilities and the longevity of these values. In addition, notes reflect the impact (if any) of any uncertainties the Housing Authority may face. The Notes to Financial Statements can be found in this Report beginning on page 24 through 63.

In addition to the basic financial statements listed above, our report includes supplemental information. This information is to provide more detail on the Housing Authority's various programs and the required information mandated by regulatory bodies that fund the Housing Authority's various programs.

**OVERVIEW OF THE FINANCIAL STATEMENT PRESENTATION - CONTINUED**

In addition to the basic financial statements listed above, our report includes supplemental information. This information is to provide more detail on the Housing Authority's various programs and the required information mandated by regulatory bodies that fund the Housing Authority's various programs.

The Schedule of Expenditures of Federal Awards is presented for purpose of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), Audits of States, Local Governments and Non-profit Organizations. The schedule of Expenditures of Federal Awards can be found on pages 69-70 of this report.

- 1. Federal Awards** - Pursuant to the Single Audit Act Amendments of 1996 (Public Law 104-156) and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), federal award is defined as federal financial assistance and federal cost reimbursement contracts that non-federal agencies receive directly or indirectly from federal agencies or pass-through entities. Federal financial assistance is defined as assistance that nonfederal entities receive or administer in the form of grants, loans, loan guarantees, property, cooperative agreements, interest subsidies, insurance, direct appropriations, and other assistance.
- 2. Type A and Type B Programs** - The Single Audit Act Amendments of 1996 and the Uniform Guidance establish the levels of expenditures or expenses to be used in defining Type A and Type B Federal financial assistance programs. Type A programs for the Housing Authority of the City of Englewood are those which equal or exceeded \$750,000 in expenditures for the fiscal year ended December 31, 2021. Type B programs for the Housing Authority of the City of Englewood are those which are less than \$750,000 in expenditures for the fiscal year ended December 31, 2021.

**FINANCIAL ANALYSIS OF THE AUTHORITY - CONTINUED**

The Authority operating expenses cover a range of expenses. The largest expense was for Housing Assistance Payments representing 80% percent of total operating expenses. Administrative expenses accounted for 9% percent, tenant services accounted for 4% percent, utilities expense accounted for 2% percent, maintenance expense accounted for 1% percent, other operating expenses accounted for 2% percent, and depreciation accounted for the remaining 1% of the total operating expenses.

The Authority's operating expenses exceeded its operating income resulting in excess expenses from operations in the amount of \$470,729 from operations as compared to excess revenue from operations of \$1,540,359 for the previous year. The key elements for the increase in deficit in comparison to the prior year are as follows:

- Tenant rental income decreased \$232,711 or 27% percent from the previous year.
- The Authority experienced a decrease in HUD operating grants in the amount of \$852,906, or 8% percent. Grants are awarded based on the Authority's needs against a preauthorized funding level.
- Other revenue increased by \$956 or 1% percent from the previous year.
- The Authority experienced an increase in the following expense accounts as listed below:
  - Administrative Expenses increased \$3,983 or less than 1% percent.
  - Tenant Services increased \$314,656 or 380% percent.
  - Utilities Expense increased \$24,916 or 10% percent.
  - Other Operating Expenses increased \$28,899 or 16% percent.
  - Housing Assistance Payments increased \$724,073 or 9% percent.
- The Authority experienced a decrease in the following expense accounts as listed below:
  - Maintenance Expense decreased \$158,298 or 54% percent.
  - Depreciation Expense decreased \$11,802 or 8% percent.

Total net cash used by operating activities during the year was \$370,702. A full detail of this amount can be found on the Statement of Cash Flows on page 22-23 of this report.

**THE HOUSING AUTHORITY OF THE CITY OF ENGLEWOOD PROGRAMS**

Section 8 Housing Choice Voucher Program:

Under the Section 8 Housing Choice Voucher Program, the Authority administers contracts with independent landlords to provide housing to Section 8 tenants. The Authority subsidizes the tenant's rent through Housing Assistance Payment made to the landlord. This program is also administered under an Annual Contributions Contract (ACC) with HUD. HUD provides annual contributions funding to enable the Authority to structure a lease that sets the participants' rent at approximately 30% of household income subject to certain restrictions.

Rental Assistance Demonstration Program: Business Activities

The Rental Assistance Demonstration Program ("RAD") was created in order to give public housing authorities ("PHA's") a powerful tool to preserve and improve public housing properties. RAD allows PHA's to leverage public and private debt and equity in order to reinvest in public housing stock. Public housing units move to a Section 8 platform with a long-term contract under which residents continue to pay 30% percent of their income towards rent.

Section 8 New Construction and Substantial Rehabilitation

The New Construction and Substantial Rehabilitation Programs provide rental assistance in connection with the development of newly constructed or substantially rehabilitated privately owned rental housing financed with any type of construction or permanent financing, including the applicable FHA Multifamily Mortgage Insurance Programs. The maximum term of assistance provided by HUD under the New Construction and Substantial Rehabilitation Programs for a project financed with the proceeds of a loan insured by FHA is 20 years.

Blended Component Units

The Authority also has Component Units which consist of activities pertaining to Englewood Housing Management Services, Inc. (EHMS). The non-profit corporation was formed for the purpose of developing, operating, and managing low- and moderate-income housing in the City of Englewood. The program currently consists of four units. The audit report for EHMS covered the year ended December 31, 2021.

**THE AUTHORITY AS A WHOLE**

The Authority's revenues consist primarily of rents and subsidies and grants received from HUD. The Authority receives subsidies each month based on a pre-approved amount by HUD. Grants are drawn down based on need against a pre-authorized funding level. By far, the largest portion of the Authority's net position reflects its net investment in capital assets (e.g., land, buildings, equipment, and construction in progress). The Authority uses these capital assets to provide housing services to its tenants. Consequently, these assets are reported as "Net Investment in Capital Assets" and are not available for future spending. The unrestricted position of the Authority is available for future use to provide program services.

**HOUSING AUTHORITY OF THE CITY OF ENGLEWOOD  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
ON DECEMBER 31, 2021**

**BUDGETARY HIGHLIGHTS**

For the year ended December 31, 2021, individual program or grant budgets were prepared by the Authority and adopted by the Board of Commissioners. The budgets were primarily used as a management tool and have no legal stature. The budgets were prepared in accordance with the accounting procedures prescribed by the applicable funding agency.

The Authority submits its annual operating and capital budgets to the State of New Jersey Department of Community Affairs in accordance with New Jersey statute. After the New Jersey Department of Community Affairs approves the budget, it is formally adopted by resolution of the Housing Authority's Board of Commissioners. Once adopted, the Board of Commissioners may amend the legally adopted budget when unexpected modifications are required in estimated revenues and expenses. Each fund's budget is prepared on a detailed line-item basis. Revenues are budgeted by source and expenditures are budgeted by expense classification within each revenue source.

**NEW INITIATIVES**

For the fiscal year ended 2021 the Housing Authority's primary focus has been on funding and accountability. As a public entity that derives approximately 93% percent of its revenue from the Department of Housing and Urban Development, (2020 was 91% percent), the Authority is constantly monitoring for any appropriation changes especially since it appears the nation is continuing an era of need for additional public assistance to help families meet the challenges of a very tumultuous economy.

The current administration of the Authority is determined to improve the financial results of the Authority's operations. The Authority has made steady progress in various phases of our operations, all the while maintaining a strong occupancy percentage in the public housing units and a high utilization rate in Housing Assistance Programs. Interactions with the residents are a constant reminder of the need of the services.

Regardless of the constraints (financial or regulatory) placed on this Housing Authority, the Authority will continuously look for ways to better provide or expand housing and housing assistance to qualified residents of the City of Englewood, all the while being mindful of their responsibility to be good stewards of the public's tax dollars.

**HOUSING AUTHORITY OF THE CITY OF ENGLEWOOD  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
ON DECEMBER 31, 2021**

**ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES**

The Housing Authority of City of Englewood is primarily dependent upon HUD for the funding of operations; therefore, the Housing Authority is affected more by Federal budget than by local economic conditions. Pressure on the federal budget will remain in the form of both record deficits and competing funding needs. We do not expect this consistent trend to change.

The following factors were considered in preparing the Authority's budget for the year ending December 31, 2022.

- State of New Jersey economy including the impact on tenant income. Local inflationary, recessionary and employment trends, which can affect resident incomes and therefore the amount of rental income. Tenant rental payments are based on tenant income.
- Continued increases in health care insurance are expected to impact employee benefits cost over the next several years.
- Inflationary pressure on utility rates, supplies and other cost.
- Trends in the housing market which affect rental housing available for the Section 8 tenants, along with the amount of the rents charged by the private landlords, are expected to have a continued impact on Section 8 HAP payments. The Authority accepted the administration of a 15-year project-based housing choice vouchers.

**CONTACTING THE AUTHORITY'S FINANCIAL MANAGEMENT**

# HOUSING AUTHORITY OF THE CITY OF ENGLEWOOD

## Notes to Financial Statements December 31, 2021

### **NOTE 1 - SUMMARY OF ORGANIZATION, ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES**

**Organization** - The Authority is a governmental, public corporation which was organized under the laws public corporation created under federal and state housing laws as defined by State statute (N.J., S.A. 40A:12A-1 et al the Housing Authority Act) for the purpose of engaging in the development, acquisition and administrative activities of the low-income housing program and other programs with similar objectives for low and moderate income families residing in the City of Englewood in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development (HUD).

The Authority is governed by a Board of Commissioners which is essentially autonomous but is responsible to the U.S. Department of Housing and Urban Development and the State of New Jersey Department of Community Affairs. An Executive Director is appointed by the Housing Authority's Board to manage the day-to-day operations of the Authority. The Authority is responsible for the development, maintenance, and management of public housing for low- and moderate-income families residing in the City of Englewood. Operating and modernization subsidies are provided to the Authority by the federal government.

The financial statements include all the accounts of the Authority. The Authority is the lowest level of government over which the Authority's Board of Commissioners and Executive Director exercise oversight responsibility. The Authority is not included in any governmental "reporting entity" since its board members; while they are appointed primarily by the Mayor of Englewood and City Council, the Board of Commissioners have decision making authority, the power to designate management, the responsibility to significantly influence operations, and primary responsibility for accounting and fiscal matters. The Authority has also concluded that it is excluded from the City of Englewood reporting entity.

Based on the following criteria, the Authority has identified one entity which should be subject to evaluation for inclusion in the Authority's reporting entity. The criteria for including or excluding a component unit relationship as set forth in GASB's #61 *The financial Reporting Entity* and Financial Reporting Standards, include whether:

- A. The organization is legally separate.
- B. The organization is fiscal dependency on the primary government.
- C. The organization has potential to impose a financial benefit or burden on the primary government.
- D. The organization meets the financial accountability criteria for inclusion as a component unit of the primary government.
- E. The primary government is able to impose its will on the organization.

As of December 31, 2021, based upon the application of these criteria, the Authority considers Englewood Housing Management Services, Inc. (EHMS) to be a component unit because the organization meets the financial accountability criteria for inclusion.

### **Significant Accounting Policies**

The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The accompanying financial statements are presented in conformity with accounting principles generally accepted in the United States of America for governmental units as prescribed by the Governmental Accounting Standards Board (GASB) and other authoritative sources. The Authority has determined that the applicable measurement focus (flow of economic resources) and accounting basis (accrual) is like that of a commercial enterprise. As such, the use of proprietary funds best reflects the activities of the Authority.

The Authority has adopted GASB Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions*. The Statement establishes accounting and financial reporting standards for non-exchange transactions including financial or capital resources. The Authority's primary source of non-exchange revenue relates to grants and subsidies. Grant and subsidy revenue are recognized at the time eligible program expenditures occur and/or the Authority has complied with the grant and subsidy requirements.

The Authority participates in the State of New Jersey Public Employees Retirement System (PERS), which is sponsored and administered by the New Jersey Division of Pensions and Benefits. It is a cost sharing, multiple employers defined benefit pension plan. PERS was established in January 1955 under the provision of NJ SA 43:15A to provide coverage, including post-retirement health care, for substantially all full-time employees of the state, its counties, municipalities, school districts or public agencies, provided the employee is not a member of another state administered retirement system.

### Blended Component Unit

The Authority has identified the Englewood Housing Management Services, Inc. (EHMS) as a component unit. Englewood Housing Management Services, Inc. (EHMS) is economically dependent on the Housing Authority of the City of Englewood to provide funding via management services revenues administered by the Housing Authority of the City of Englewood which meets the financial accountability criteria for inclusion. The method of accounting for the component unit is in accordance with accounting principles generally accepted in the United States of America. The financial data included in this report is based on the information for the Corporation at the end of its year, which is December 31, 2021.

## Notes to Financial Statements December 31, 2021

### **Basis of Accounting –**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

Under the accrual basis of accounting revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. This requires the Housing Authority to account for operations in a manner like private business or where the Board has decided that the determination of revenues earned, costs incurred and/or net income is necessary for management accountability.

The major sources of revenue are HUD operating subsidies, tenants dwelling rents, HAP portability payments, management fees and all other revenue. Other revenue composed primarily of miscellaneous fees from the tenant, cable charges and laundry income. The revenue is recorded as earned since it is measurable and available. The Authority provides housing assistance payments to participating owners on behalf of eligible tenants. The Authority also provides provide decent, safe, and sanitary housing for extremely low and very low-income families. The revenue is recorded as earned since it is measurable and available.

Non-operating revenue and expenses consist of revenues and expenses that are related to financing and investing activities and result from non-exchange transactions or ancillary activities.

Tenants dwelling rental charges are determined and billed monthly and are recognized as revenue when assessed because they are measurable and are collectible within the current period. The amounts not received by December 31, are accounts receivable and any amounts received for subsequent period are recorded as deferred revenue.

### **Report Presentation -**

The financial statements of the Authority have been prepared in accordance with accounting principles generally accepted in the United States of America applicable to enterprise funds of State and Local Governments on a going concern basis. The Authority's financial statements are prepared in accordance with GASB Statement No. 34 (as amended), *Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments* ("Statement"). The Statement requires the basic financial statements to be prepared using the economic resources measurement focus and the accrual basis of accounting and requires the presentation of a Statement of Net Position, a Statement of Revenues, Expenses, and Changes in Net Position, and a Statement of Cash Flows. The Statement also requires the Authority to include Management's Discussion and Analysis as part of Required Supplementary Information.

### **Report Presentation - Continued**

The federally funded programs administered by the Authority are detailed in the Financial Data Schedule and the Schedule of Expenditures of Federal Awards; both are which are included as Supplemental information.

### **Financial Reporting Entity**

The financial reporting entity includes organizations, functions, and activities over which appointed officials exercise oversight responsibility. Oversight responsibility is determined based on financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations, and accountability for fiscal matters.

All governmental activities and functions performed for the Authority are its direct responsibility. The financial reporting entity consists of:

- (a) the primary government which is the Authority,
- (b) organizations for which the primary government is financially accountable, and
- (c) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete as set forth in GASB Statement No. 14.

The decision to include a potential unit in the Authority's reporting entity is based on several criteria set forth in GASB Statement No. 61, including legal standing, fiscal dependency, and financial accountability. The Authority has identified a Component Unit which consist of activities pertaining to Englewood Housing Management Services, Inc. (EHMS). Englewood Housing Management Services, Inc. (EHMS) meets the financial accountability criteria for inclusion in the Authority financial statements. The non-profit corporation was formed for the purpose of developing, operating, and managing low- and moderate-income housing in the City of Englewood. The program currently consists of four units.

## Notes to Financial Statements December 31, 2021

**Board of Commissioners** - The criteria used in determining the scope of the entity for financial reporting purposes are as follows:

1. The ability of the Board to exercise supervision of a component unit's financial independence.
2. The Board's governing authority extends to financial decision-making authority and is held primarily accountable for decisions.
3. The Board appoints the management of the Authority who is responsible for the day-to-day operations and this management are directly accountable to the Board.
4. The ability of the Board to significantly influence operations through budgetary approvals, signing and authorizing contracts, exercising control over facilities, and approving the hiring or retention of key managerial personnel.
5. The ability of the Board to have absolute authority over all funds of the Authority and have accountability in fiscal matters.

**Other accounting policies are as follows**

- 1 – Cash and cash equivalents are stated at cost, which approximates market. The Authority considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.
- 2 – Collection losses on accounts receivable are charged against an allowance for doubtful accounts.
- 3 – Buildings and equipment are recorded at cost for all programs and depreciation is computed on the straight-line basis.
- 4 – Operating subsidies received from HUD are recorded as income when earned.
- 5 – The cost of accumulated unpaid compensated absences, including fringe benefits, is reported in the period earned rather than in the period paid.
- 6 – Prepaid expenses represent payments made by the Authority in the current year to provide services occurring in the subsequent fiscal year.
- 7 – The Authority does not have any infrastructure assets for its Enterprise Fund.
- 8 – Inter-fund receivable and payables arise from inter-fund transactions and are recorded by all funds in the period in which the transactions are executed.

## Notes to Financial Statements December 31, 2021

### **Other accounting policies - continued**

9- Advertising cost is charged to expense when incurred.

10- When expenses are incurred where both restricted and unrestricted net positions are available the Authority will first use the restricted funds until they are exhausted and then the unrestricted net position will be used.

11- Certain conditions may exist as of the date the financial statements are issued, which may result in a loss to the Authority, but which will only be resolved when one or more future events occur or fail to occur. The Authority's management and its legal counsel assess such contingent liabilities, and such assessment inherently involves an exercise of judgment. In assessing loss contingencies related to legal proceedings that are pending against the Authority or unasserted claims that may result in such proceedings, the Authority's legal counsel evaluates the perceived merits of any legal proceedings or unasserted claims as well as the perceived merits of the amount of relief sought or expected to be sought therein. If the assessment of a contingency indicates that it is probable that a material loss has been incurred and the amount of the liability can be estimated, then the estimated liability would be accrued in the Authority's financial statements. If the assessment indicates that a potentially material loss contingency is not probable but is reasonably possible, or is probable but cannot be estimated, then the nature of the contingent liability, together with an estimate of the range of possible loss if determinable and material, would be disclosed. Loss contingencies considered remote are generally not disclosed unless they involve guarantees, in which case the nature of the guarantee would be disclosed.

### 12- Taxes

The Authority operates as defined by the Internal Revenue Code Section 115 and is exempt from income taxes under Section 115. Under federal, state, and local law, the Authority's program is exempt from income, property and excise taxes.

### 13 - Net Position

In accordance with the provisions of Statement No. 34 ("Statement 34") of the Governmental Accounting Standards Board *"Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments"*, the Authority has classified its net position into three components - net investment in capital assets; restricted; and unrestricted. These classifications are defined as follows:

### **Other accounting policies - continued**

#### 13 - Net Position -continued

*Net Investment in Capital Assets* - This component of net position consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any bonds, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of net investment in capital assets. Rather that portion of the debt is included in the same net position component as the unspent proceeds.

*Restricted* - This component of net position consists of constraints placed on net position use through external constraints imposed by creditors (such as through debt covenants), granters, contributors, or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation.

*Unrestricted Net Position* - This component of net position consists of net position that do not meet the definitions of "restricted" or "net investment in capital assets."

#### 14 -Unearned Revenue and Revenue Recognition

Grant awards accounted for as exchange transactions are recorded as revenue when expenses have been incurred in compliance with grant restrictions. Amounts unspent are recorded in the statement of net position as unearned revenue.

#### 15 Operating Revenue and Expenses

Operating revenue includes HUD operating subsidies, tenants dwelling rents, HAP portability payments, management fees and all other revenue. Other revenue composed primarily of miscellaneous fees from the tenant, cable charges and laundry income.

Operating expenses include wages, utilities, maintenance, depreciation of capital assets, administrative expenses and all other expenses relating to the provision of safe, decent, and affordable housing services that do not result from transactions defined as capital and related financing, non-capital and related financing or investing activities.

#### Nonoperating Revenue and Expenses

The Authority's nonoperating revenue relates primarily to interest income. For reporting purposes. Nonoperating expenses are expenditures derived from transactions other than those associated with the Authority's primary housing operations and are reported as incurred.

### **Other accounting policies - continued**

#### 16-Impairment Losses

The Authority reviews its investment in real estate for impairment whenever events or changes in circumstances indicate that the carrying value of such property may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the real estate to the future net undiscounted cash flow expected to be generated by the rental property including any estimated proceeds from the eventual disposition of the real estate. If the real estate is impaired, the impairment to be recognized is measured at the amount by which the carrying amount of the real estate exceeds the fair value of such property. No impairment losses were recognized in 2021.

#### 17- Recent Accounting Pronouncements

The Authority has implemented all new accounting pronouncements that are in effect and that may impact its financial statements. The Authority does not believe that there are any new accounting pronouncements that have been issued that might have a material impact on its financial position or results of operations.

### **Budgetary and Policy Control –**

The Authority submits its annual operating budgets and capital budgets to HUD. The Authority also submits its annual operating and capital budgets to the State of New Jersey Department of Community Affairs in accordance with New Jersey statute. After the New Jersey Department of Community Affairs approves the budget, it is formally adopted by resolution of the Housing Authority's Board of Commissioners. Once adopted, the Board of Commissioners may amend the legally adopted budget when unexpected modifications are required in estimated revenues and expenses. Each fund's budget is prepared on a detailed line-item basis. Revenues are budgeted by source and expenditures are budgeted by expense classification within each revenue source.

### **Revenue from Rental Contracts**

The Authority recognizes rental revenue from tenant(s) who entered into a lease agreement (contract) for a unit in the development. The lease agreement allows the tenant use of the unit the expiration of the lease term or cancellation by the tenant or landlord due to cause. Lease terms are for one year, unless mutually agreed to by the landlord and the tenant (s) prior to move in. Tenant(s) have to be income qualified in accordance with income limitations before allowed to occupy unit the tenant(s) may also income qualify for a Housing Assistance Payment (HAP). HAP payments are used to subsidize the tenants(s) rental payment to allow them the ability to afford a unit in the development.

The lease agreement has similar terms therefore all lease contract revenue has been aggregated in the caption rental income in the statement of income. The lease contract revenue is recognized at the end of each month when the performance obligation of providing a unit is complete. The performance obligation each month also includes applicable maintenance services provided to maintain the tenant(s) unit and the buildings(s). Since the performance of these services are completed simultaneously each month, they are treated as performance obligation.

Tenant(s) lease payments, including the HAP payment, are due the first day of each month of the lease term. The monthly unit rental charge is determined based on the amount determined at the RAD conversion and increased annually by HUD published OCAF. Any tenant(s) rental payment not received by the fifth day of each month. Will be charged a late fee. HAP payments received directly from a HUD are not subject to late fees. Any rental payment received in advance of the first day of the month are recognized as deferred revenue since the conditions for recognizing revenue will not occur until the end of the following month.

### **Rent Increases**

Under the HAP Contract, the Authority RAD housing program may not increase rents charged to tenants more than the amount provided by the Section 8 regulations.

### Business Activities - RAD

The Authority converted its 152 Public and Indian Housing Program units to Rental Assistance Demonstration Program (RAD) Project Based Vouchers (PBV). The conversion took place in December 2017. The RAD Program was created in order to give public housing authorities ("PHA's") a powerful tool to preserve and improve public housing properties. RAD allows PHA's to leverage public and private debt and equity in order to reinvest in public housing stock. Public housing units move to a Section 8 platform with a long-term contract under which residents continue to pay 30% percent of their income towards rent.

The Authority also owns and manages a 9-unit apartment building at 115 Humphry Street, known as the John J. Foti, Sr. Property. Since there is no Federal funding, it is referred to as Business Activities on the Financial Data Schedule.

### Blended Component Unit

The Authority also has Component Units which consist of activities pertaining to Englewood Housing Management Services, Inc. (EHMS). The non-profit corporation was formed for the purpose of developing, operating, and managing low and moderate income housing in the City of Englewood. The program currently consists of four units. The method of accounting for the component unit is in accordance with accounting principles generally accepted in the United States of America. The financial data included in this report is based on the information for the entity at the end of its year, which was December 31, 2021.

### **Activities - Continued**

#### Section 8 Housing Choice Voucher Program:

Under the Section 8 Housing Choice Voucher Program, the Authority administers contracts with independent landlords to provide housing to Section 8 tenants. The Authority subsidizes the tenant's rent through Housing Assistance Payment made to the landlord. This program is also administered under an Annual Contributions Contract (ACC) with HUD. HUD provides annual contributions funding to enable the Authority to structure a lease that sets the participants' rent at approximately 30% of household income subject to certain restrictions.

#### Housing Choice Voucher CARES Act Program

The CARES Act requires that recipients use of CARES grants be tied to preventing, preparing for, and responding to COVID-19, including maintaining normal operations and funding eligible affordable housing activities under NAHASDA during the period the program is impacted by COVID-19. These funds may also be used to maintain normal operations and fund eligible activities during the period that a recipient's program is impacted by COVID-19. HUD expects and encourages recipients to expend funds expeditiously given the ongoing COVID-19 National Emergency.

#### Section 8 New Construction and Substantial Rehabilitation

The New Construction and Substantial Rehabilitation Programs provide rental assistance in connection with the development of newly constructed or substantially rehabilitated privately owned rental housing financed with any type of construction or permanent financing, including the applicable FHA Multifamily Mortgage Insurance Programs. The maximum term of assistance provided by HUD under the New Construction and Substantial Rehabilitation Programs for a project financed with the proceeds of a loan insured by FHA is 20 years.

### **NOTE 2 – ESTIMATES**

The financial statements and related disclosures are prepared in conformity with accounting principles generally accepted in the United States. Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and revenue and expenses during the period reported. These estimates include assessing the collectability of accounts receivable, the use, and recoverability of inventory, and the useful lives and impairment of tangible and intangible assets, among others. Estimates and assumptions are reviewed periodically and the effects of revisions are reflected in the financial statements in the period they are determined to be necessary. Actual results could differ from the estimates.

### **NOTE 3 - PENSION PLAN**

The Authority participates in the State of New Jersey Public Employees Retirement System (PERS), which is sponsored and administered by the New Jersey Division of Pensions and Benefits. It is a cost sharing, multiple employers defined benefit pension plan. PERS was established in January 1955 under the provision of NJ SA 43:15A to provide coverage, including post-retirement health care, for substantially all full-time employees of the state, its counties, municipalities, school districts or public agencies, provided the employee is not a member of another state administered retirement system.

Membership is mandatory for such employees. Contributions to the plan are made by both the employee and the Authority. Required employee contributions to the system are based on a flat rate determined by the New Jersey Division of Pensions for active plan members. Benefits paid to retired employees are based on length of service, latest earnings, and veteran status. Authority contributions to the system are determined by PERS and are billed annually to the Authority.

The State of New Jersey, Department of Treasury, Division of Pensions and Benefits, issued publicly available financial reports that include the financial statements and required supplementary information for PERS. The financial reports may be obtained by writing to the State of New Jersey, Department of Treasury, Division of Pensions and Benefits, P.O. Box 295, Trenton, New Jersey 08625-0925.

On the web:

#### Funding Policy

The contribution policy is set by N.J.S.A. 43:15A, Chapter 62, P.L. of 1994 and Chapter 115, P.L. of 1998, and requires contributions by active members and contributing employers. Plan member and employer contributions may be amended by State of New Jersey legislation. Employer's contributions are actuarially determined annually by the Division of Pensions. Employee contributions are currently 6.64% of base wages. The annual employer contribution includes funding for basic retirement allowances, cost-of-living adjustments, and the cost of medical premiums after retirement for qualified retirees, and noncontributory death benefits. The Authority's contribution for 2021 is \$123,328.

#### Post Employment Retirement Benefits

The Authority provides post-employment health care benefits and life insurance for its eligible retirees. Eligibility requires that employees be 55 years or older with various years of service.

Further information on the Pension Plan and its effects do to the adoption of GASB 68 can be found in Note 16- Accrued Pension Liability.

### **NOTE 4 – CASH, CASH EQUIVALENTS**

The Authority's cash, cash equivalents are stated at cost, which approximates market. Cash, cash equivalents and investment includes cash in banks, petty cash and a money market checking account and certificates of deposit, and other investments with original maturities of less than three months from the date of purchase. For the statement of cash flows, cash and cash equivalents include all cash balances and highly liquid investments with a maturity of three months or less at time of purchase.

### **Concentration of Credit Risk**

HUD requires housing authorities to invest excess funds in obligations of the United States, Certificates of Deposit or any other federally insured investment. HUD also requires that deposits be fully collateralized at all times. Acceptable collateralization includes FDIC/FSLIC insurance and the market value of securities purchased and pledged to the political subdivision. Pursuant to HUD restrictions, obligations of the United States are allowed as security for deposits. Obligations furnished as security must be held by the Authority or with an unaffiliated bank or trust company for the account of the Authority. These funds at various banks are collateral pledge under the New Jersey Government Code of the Banking Law.

### **Risk Disclosures**

#### Collateral for Deposits

New Jersey Authorities are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or State of New Jersey or the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of securities which may be purchased by New Jersey Authorities. The Authority is required to deposit funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act ("GUDPA"). GUDPA was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey.

#### Interest Rate Risk

As a means of limiting its exposure to fair value losses arising from rising interest rates, the Authority's investment policy limits the Authority's investment portfolio to maturities not to exceed two years at time of purchase. On December 31, 2021, the Authority's deposits and investments were not limited and all of which are either available on demand or have maturities of less than two years.

### NOTE 5 - ACCOUNTS RECEIVABLE

Accounts Receivable on December 31, 2021, consisted of the following:

|   | Primary<br>Government | Component<br>Unit |
|---|-----------------------|-------------------|
| Tenants Accounts Receivable             | \$ 46,024             | \$ 605            |
| Less: Allowance for Doubtful Accounts   | (18,238)              | -                 |
| Net Tenants Accounts Receivable         | 27,786                | 605               |
| Accounts Receivable - HUD               | 328,614               | -                 |
| Accounts Receivable - Other Authorities | 2,092                 | -                 |
| Accounts Receivable - Westmoor Gardens  | 31,219                | -                 |
| Advance Receivable - Westmoor Gardens   | -                     | 500,000           |
| Total Accounts Receivable               | \$ 389,711            | \$ 500,605        |

Tenants' rents are due the first of each month. Management considers rents outstanding after the 5<sup>th</sup> day of the month as past due and late charges are applied accordingly. Accounts Receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through an allowance for doubtful accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Management continually monitors tenants account receivable payment patterns, investigates past-due accounts to assess likelihood of collections, and monitors the industry and economic trends to estimate required allowances. It is reasonably possible that management's estimate of the allowance will change.

### NOTE 6 - INTERFUND ACTIVITY

Interfund activity is reported as short-term loans, services provided during operations, reimbursements, or transfers. Short term loans are reported as interfund short term receivables and payable as appropriate. The amounts between the various programs administered by the Authority on December 31, 2021, are detailed on the Financial Data Schedule of this report. Interfund receivables and payables between funds are eliminated in the Statement of Net Position.

### **NOTE 7 – PREPAID EXPENSES**

Certain payments to vendors reflect cost applicable to future accounting periods and are recorded as prepaid items. All purchases of insurance premiums are written off on a monthly basis. Acquisition of materials and supplies are accounted for on the consumption method, that is, the expenses are charged when the items are consumed. Inventory of supplies is recorded at the lower of cost (determined by using the “first-in-first-out” method) or market. Prepaid expenses on December 31, 2021, consisted of the following:

|                                     | Primary<br>Government | Component<br>Unit |
|-------------------------------------|-----------------------|-------------------|

| Prepaid HAP Payments - January 2022 | 506,499               | -                 |
| Total Prepaid Expenses              | <u>\$ 513,986</u>     | <u>\$ 6,955</u>   |

### **NOTE 8 - FIXED ASSETS**

Fixed assets consist primarily of expenditures to acquire, construct, place in operations, and improve the facilities of the Authority and are stated at cost as determined by an appraisal. Expenditures for repairs, maintenance and minor renewals are charged against income in the year they are incurred. Major renewals and betterment are capitalized. Expenditures are capitalized when they meet the Capitalization Policy requirements. Under the policy, assets purchased or constructed at a cost not exceeding \$5,000 are expensed when incurred.

#### Depreciation Expense

Property and equipment are stated at cost. Donated fixed assets are stated at their fair value on the date donated. The Authority depreciation expense on December 31, 2021, was \$133,618. Depreciation is provided using the straight-line method over the estimated useful lives of the assets.

### **NOTE 8 - FIXED ASSETS - CONTINUED**

#### Impairment Losses

Housing Authority of the City of Englewood reviews its investment in real estate for impairment whenever events or changes in circumstances indicate that the carrying value of such property may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the real estate to the future net undiscounted cash flow expected to be generated by the rental property including any estimated proceeds from the eventual disposition of the real estate. If the real estate is considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying amount of the real estate exceeds the fair value of such property. No impairment losses were recognized in 2021.

Below is a schedule of changes in fixed assets for the twelve months ended December 31, 2021:

|                                       | December-20  | Additions   | Disposal    | December-21  |

### **NOTE 9 – DEFERRED OUTFLOWS/INFLOWS OF RESOURCES**

A deferred outflow is an outflow of resources, which is a consumption of net assets by the government that is applicable to the reporting period. A deferred inflow is an inflow of resources, which is an acquisition of net assets by the government that is applicable to the reporting period.

The OPEB and Pension Liability discussed in Note 16 and 17 resulted in the Authority incurring deferred outflows and inflows. The difference between expected and actual experience with regard to economic and demographic factors, when the actuary calculated the net pension liability, is amortized over a five-year closed period for OPEB and PERS, reflecting the average remaining service life of members (active and inactive members), respectively. The first year of amortization is recognized as pension expense with the remaining years shown as either a deferred outflow of resources or a deferred inflow of resources. The Authority's deferred outflows and inflows are as follows:

| <b>Deferred Outflows of Resources</b>  | OPEB                | Pension           | Total               |

## Notes to Financial Statements December 31, 2021

### **NOTE 9 – DEFERRED OUTFLOWS/INFLOWS OF RESOURCES-CONTINUED**

#### Difference in Expected and Actual Experience

The difference between expected and actual experience with regard to economic and demographic factors is amortized over a five-year closed period reflecting the average remaining service life of the plan members (active and inactive), respectively. The first year of amortization is recognized as pension expense with the remaining years shown as either deferred outflow of resources or a deferred inflow of resources. The collective amount of the difference between expected and actual experience for the fiscal year is \$106,058 and \$519,665.

#### Changes in Assumptions

The change in assumptions about future economic or demographic factors or other inputs is amortized over a five-year closed period, reflecting the average remaining service life of the plan members (active and inactive members), respectively. The first year of amortization is recognized as pension expense with the remaining years shown as either a deferred outflow of resources or a deferred inflow of resources. The collective amount of the difference between expected and actual experience for the fiscal year is \$471,807 and \$1,382,597.

#### Net Difference between Projected and Actual Investments Earnings on Pension Plan Investments

The difference between the System's expected rate of return of and the actual investment earnings on pension plan investments is amortized over a five-year closed period in accordance with GASB 68 and GASB 75. The first year of amortization is recognized as pension expense with the remaining years shown as either a deferred outflow of resources or a deferred inflow of resources. The collective amount of the difference between expected and actual experience for the fiscal year is \$64,589 and \$244,798.

#### Changes in Proportion and Differences between Contributions and Proportionate Share of Contributions

The change in employer proportionate share is the amount of difference between the employer proportionate shares of net pension liability in the prior year compared to the current year. The difference between employer contributions and proportionate share of contributions is the difference between the total amount of employer contributions and the amount of the proportionate share of employer contributions. The change in proportionate share and the difference between employer contributions and proportionate share of contributions is amortized over a six-year closed period for OPEB and PERS, reflecting the average remaining service life of ERS members (active and inactive members), respectively. The changes in proportion and differences between employer contributions and proportionate share of contributions for the fiscal year are \$710,825 and \$67,666.

| Accounts Payable - HUD HCV Program   | 14,633                | -                 |
| Total Accounts Payable               | <u>\$ 952,848</u>     | <u>\$ 13,127</u>  |

### **NOTE 11 – ACCOUNTS PAYABLE – OTHER GOVERNMENT (PILOT PAYABLE)**

Under Federal, State and local law, the Authority's programs are exempt from income, property and excise taxes. However, the Authority is required to make a payment in lieu of taxes (PILOT) for the rental units in accordance with the provisions of its Cooperation Agreement with the City of Englewood. Under the Cooperation Agreements, the Authority must pay the municipality 10% of its net shelter rent for the full real property taxes. PILOT payable on December 31, 2021, consist of the following:

|                           | Primary<br>Government | Component<br>Unit |

### NOTE 12 – ACCRUED EXPENSES

The Authority reported accrued expenses on its Statement of Net Position. Accrued expenses are liabilities incurred on or before December 31. Accrued liabilities on December 31, 2021, consist of the following:

|  | Primary<br>Government | Component<br>Unit |
|--|-----------------------|-------------------|
| Compensated Absences - Current Portion | \$ 8,853              | \$ -              |
| Accrued Interest Payable               | 3,410                 | -                 |
| Accrued - Various Vendors              | 4,608                 | 38                |
| Total Accrued Liabilities              | <u>\$ 16,871</u>      | <u>\$ 38</u>      |

### NOTE 13 – ACCRUED COMPENSATED ABSENCES

Compensated absences are those for which employees will be paid, such as vacation and sick leave. A liability for compensated absences that is attributable to services already rendered and that is not contingent on a specific event that is outside the control of the Authority will be accounted for in the period in which such services were rendered.

An employee may not carry over unused vacation days in which the vacation days are earned. When an employee's employment terminated, the employee will be entitled to receive payment for any unused accumulated vacation time.

Unused sick leave may be carried to future periods and used in the event of extended illness. In the event of voluntary resignation of employment, an employee shall be entitled to be paid for fifty (50%) percent of unused sick time not to exceed \$15,000.

For December 31, 2021, the Authority has determined that the potential liability for accumulated vacation time, sick leave, and terminal pay to be as follows:

| Balance<br>December-20 | Additions | Balance<br>December-21 | Current<br>Portion |
|------------------------|-----------|------------------------|--------------------|
| \$ 60,273              | \$ 28,242 | \$ 88,515              | \$ 8,853           |

### **NOTE 14 – UNEARNED REVENUE**

The Authority reported unearned revenues on its Statement of Net Position. Unearned revenues arise when resources are received by the Authority before it has legal claim to them, as when grant monies are received prior to the occurrence of qualifying expenditures. In subsequent periods, when the Authority has a legal claim to the resources, the liability for unearned revenue is removed from the Statement of Net Position and the revenue is recognized. Unearned revenue on December 31, 2021 consisted of the following:

|                                    | Primary<br>Government | Component<br>Unit |
|------------------------------------|-----------------------|-------------------|
| Prepaid Rents                      | \$ 6,256              | \$ 40             |
| HCV CARES Deferred Income          | 13,184                | -                 |
| Deferred Revenue - Flood Insurance | 838,685               | -                 |

### **NOTE 15 – LONG TERM DEBT**

#### **Note Payable – Connect One**

The Authority received a note from Connect One formally called Bank of New Jersey in the amount of \$1,000,000 in connection with the Authority's RAD program to provide long-term capital improvement funding for low-income properties in Englewood, New Jersey. The loan term is 20 years based upon a 30-year amortization schedule with an interest rate of 4.35% percent. Payments will be made in 240 equal monthly installments of principal and interest with a balloon payment at maturity. The balance on December 31, 2021, was \$910,267 of which \$20,577 is due within one year.

| Balance<br>December-20 | Payment     | Balance<br>December-21 | Current<br>Portion |
|------------------------|-------------|------------------------|--------------------|

### **NOTE 16 – POSTEMPLOYMENT BENEFITS OTHER THAN PENSION**

The Authority as of December 31, 2021, reported accrued pension and OPEB liability amounts as follows:

|                                  | <u>December-21</u>  |
|----------------------------------|---------------------|
| Accrued OPEB Liability           | \$ 2,755,702        |
| Accrued Pension Liability        | <u>1,838,437</u>    |
| Total OPEB and Pension Liability | <u>\$ 4,594,139</u> |

These amounts arose due to adoption of GASB #75 (OPEB) in 2018 year as well as GASB #68 (Pension) which was adopted in 2014 year. This note will discuss the liability associated with GASB #75, which is accrued other postemployment benefits. Note - 17 will discuss the effect of GASB #68 pension liability which arose from that.

#### **OPEB Liability**

The Authority as of December 31, 2021, reported a net OPEB liability in the amount of \$2,755,702 due to GASB #75. The component of the current year net OPEB liability of the Authority as of June 30, 2020, the last evaluation date, is as follows:

|                               | <u>June-20</u>      |
|-------------------------------|---------------------|
| Employer Total OPEB Liability | \$ 2,781,017        |
| Plan Net Position             | <u>(25,315)</u>     |
| Employer Net OPEB Liability   | <u>\$ 2,755,702</u> |

The Authority allocation percentage is 0.015355% as of June 30, 2020.

#### **OPEB Liability – Plan Description and Benefits Provided**

*Plan Description:* The State Health Benefit Local Government Retired Employees Plan (the Plan) is a cost-sharing multiple- employer defined benefit other postemployment benefit (OPEB) plan with a special funding situation. It covers employees of local government employers that have adopted a resolution to participate in the Plan. For additional information about the Plan, please refer to the State of New Jersey (the State), Division of Pensions and Benefits' (the Division) Comprehensive Annual Financial Report (CAFR), which can be found at <https://www.state.nj.us/treasury/pensions/financial-reports.shtml>.

*Benefits Provided:* The Plan provides medical and prescription drug to retirees and their covered dependents of the participating employers. Under the provisions of Chapter 88, P.L 1974 and Chapter 48, P.L. 1999, local government employers electing to provide postretirement medical coverage to their employees must file a resolution with the Division. Under Chapter 88, local employers elect to provide benefit coverage based on the eligibility rules and regulations promulgated by the State Health Benefits Commission.

### **NOTE 16 – OPEB LIABILITIES - CONTINUED**

#### **OPEB Liability – Plan Description and Benefits Provided -Continued**

Chapter 48 allows local employers to establish their own age and service eligibility for employer paid health benefits coverage for retired employees. Under Chapter 48, the employer may assume the cost of postretirement medical coverage for employees and their dependents who:

- 1) retired on a disability pension; or
- 2) retired with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or
- 3) retired and reached the age of 65 with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or
- 4) retired and reached age 62 with at least 15 years of service with the employer. Further, the law provides that the employer paid obligations for retiree coverage may be determined by means of a collective negotiation's agreement.

Pursuant to Chapter 78, P.L. 2011, future retirees eligible for postretirement medical coverage who have less than 20 years of creditable service on June 28, 2011, will be required to pay a percentage of the cost of their health care coverage in retirement provided they retire with 25 or more years of pension service credit. The percentage of the premium for which the retiree will be responsible will be determined based on the retiree's annual retirement benefit and level of coverage.

#### **Allocation Methodology**

GASB Statement No. 75 requires participating employers in the Plan to recognize their proportionate share of the collective net OPEB liability, collective deferred outflows of resources, collective deferred inflows of resources, and collective OPEB expense. The total OPEB liability for the year ended December 31, 2021, were \$2,755,702.

*Employees covered by benefits terms:* On June 30, 2020 (the census date), the following employees were covered by the benefits terms:

#### Net OPEB Liability

The total OPEB liability as of December 31, 2021, latest report, was determined by an actuarial valuation as of June 30, 2019, which was rolled forward to June 30, 2020. The actuarial assumptions vary for each plan member depending on the pension plan the member is enrolled in. This actuarial valuation used the following actuarial assumptions, applied to all periods in the measurement:

*Actuarial Assumptions:* The total OPEB Liability on June 30, 2020, actuarial valuation was determined using the following actuarial assumptions, applied to all period included in the measurement, unless otherwise specified:

Inflation Rate = 2.21%

Salary Increases

Through 2026 = 2.00% to 6.00%

Thereafter = 3.00% to 7.00%

Preretirement mortality rates were based on the RP-2006 Headcount-Weighted Healthy Employee Male/Female mortality table with fully generational mortality improvement projections from the central year using the MP-2020 scale. Postretirement mortality rates were based on the RP-2006 Headcount-Weighted Healthy Annuitant Male/Female mortality table with fully generational improvement projections from the central year using the MP-2020 scale.

Disability mortality was based on the RP-2006 Headcount-Weighted Disabled Male/Female mortality table with fully generational improvement projections from the central year using the MP-2020 scale.

Certain actuarial assumptions used in the June 30, 2020, valuation was based on the results of the pension plans' experience studies for which the members are eligible for coverage under this Plan - the Police and Firemen Retirement System (PFRS) and the Public Employees' Retirement System (PERS). The PFRS and PERS experience studies were prepared for the periods July 1, 2013, to June 30, 2020, and July 1, 2014 to June 30, 2020, respectively.

100% of active members are considered to participate in the Plan upon retirement.

#### Health Care Trend Assumptions

For pre-Medicare preferred provider organization (PPO) and health maintenance organization (HMO) medical benefits, the trend rate is initially 5.6% and decreases to a 4.5% long-term trend rate after eight years. For self-insured post-65 PPO and HMO medical benefits, the trend rate is 4.5%. For prescription drug benefits, the initial trend rate is 7.5% decreasing to a 4.5% long-term trend rate after eight years. The Medicare Advantage trend rate is 4.5% and will continue in all future years.

#### Discount Rate

The discount rate for June 30, 2020, was 2.21%. This represents the municipal bond return rate as chosen by the State. The source is the Bond Buyer Go 20-Bond Municipal Bond Index, which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. As the long-term rate of return is less than the municipal bond rate, it is not considered in the calculation of the discount rate, rather the discount rate is set at the municipal bond rate.

Sensitivity of the OPEB Liability to changes in the discount rate: The following presents the total OPEB liability of the Authority, as well as what the Authority's OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (1.21%) or one percentage point higher (3.21%) than the current discount rate:

#### Changes in Proportion

The previous amounts do not include employer specific deferred outflows of resources and deferred inflow of resources related to the changes in proportion. These amounts should be recognized (amortized) by each employer over the average remaining service lives of all plan members, which is 8.05, 8.14 and 8.04 year for the 2020.

| Employer Net Pension Liability   | <u>\$ 1,838,437</u> |

The Authority allocation percentage is 0.01127364590% as of June 30, 2020.

#### Plan Description

The Authority participates in the State of New Jersey Public Employees Retirement System (PERS), which is sponsored and administered by the New Jersey Division of Pensions and Benefits. The State of New Jersey, Public Employees' Retirement System (PERS) is a cost-sharing multiple-employer defined benefit pension plan administered by the State of New Jersey, Division of Pensions and Benefits (the Division).

For additional information about PERS, please refer to Division's Comprehensive Annual Financial Report (CAFR) which can be found at [www.state.nj.gov/treasury/pensions/financial-reports.shtml](http://www.state.nj.gov/treasury/pensions/financial-reports.shtml).

#### Net Pension Liability Information

The vesting and benefit provisions are set by N.J.S.A. 43:15A. PERS provides retirement, death and disability benefits. All benefits vest after ten years of service, except for medical benefits, which vest after 25 years of service or under the disability provisions of PERS. The Authority participates in the State of New Jersey, Public Employees' Retirement System (PERS).

The following represents the membership tiers for PERS:

- 1) Tier 1 – Members who enrolled prior to July 1, 2007
- 2) Tier 2 – Members who were eligible to enroll on or after July 1, 2007 and prior to November 2, 2008
- 3) Tier 3 – Members who were eligible to enroll on or after November 2, 2008 and prior to May 22, 2010
- 4) Tier 4 – Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011
- 5) Tier 5 – Members who were eligible to enroll on or after June 28, 2011.

### **NOTE 17 – ACCRUED PENSION LIABILITY - CONTINUED**

#### Allocation Percentage Methodology

Although the Division administers one cost-sharing multiple-employer defined benefit pension plan, separate (sub) actuarial valuations are prepared to determine the actuarial determined contribution rate by group. Following this method, the measurement of the collective net pension liability, deferred outflows of resources, deferred inflows of resources, and pension expense excluding that attributable to employer-paid member contributions are determined separately for each individual employer of the State and local groups of the plan.

To facilitate the separate (sub) actuarial valuations, the Division maintains separate accounts to identify additions, deductions, and fiduciary net position applicable to each group. The allocation percentages presented for each group in the schedule of employer allocations are applied to amounts presented in the schedules of pension amounts by employer.

The allocation percentages for each group as of June 30, 2020, are based on the ratio of each employer's contributions to total employer contributions of the group for the fiscal years ended June 30, 2020.

The contribution for PERS is set by NJSA 43:15A and requires contributions by active members and contributing employers. State legislation has modified the amount that is contributed by the State. The State's pension contribution is based on an actuarially determined amount, which include the employer portion of the normal cost and an amortization of the unfunded accrued liability.

Funding for noncontributory group insurance benefits is based on actual claims paid. For fiscal year 2020 the State's pension contribution was less than the actuarial determined amount.

#### Net Pension Liability Information

The local employers' contribution amounts are based on an actuarially determined rate which includes the normal cost and unfunded accrued liability. Chapter 19, P.L. 2009 provided an option for local employers of PERS to contribute 50% of the normal and accrued liability contribution amounts certified for payments due in State fiscal year 2009. Such employers will be credited with the full payment and any such amounts will not be included in their unfunded liability.

The actuaries will determine the unfunded liability of those retirement systems, by employer, for the reduced normal and accrued liability contributions provided under this law. This unfunded liability will be paid by the employer in level annual payments over a period of 15 years beginning with the payments due in the fiscal year ended June 30, 2012 and will be adjusted by the rate of return on the actuarial value of assets.

### **NOTE 17 – ACCRUED PENSION LIABILITY – CONTINUED**

#### Actuarial Assumptions

The total pension liability for June 30, 2020, measurement dates were determined by using an actuarial valuation as of July 1, 2019, with update procedures used to roll forward the total pension liability to June 30, 2021. The actuarial valuations used the following actuarial assumptions:

|                           |                          |
|---------------------------|--------------------------|
| Inflation                 | 2.75%                    |
| Salary Increases:         |                          |
| Through 2026              | 2.00-6.00%, based on age |
| Thereafter                | 3.00-7.00%, based on age |
| Investment Rate of Return | 7.00%                    |

Pre-retirement mortality rates were based on the Pub-2010 Employee Preretirement Mortality Table for male and female active participants. For local employees, mortality tables are set back 2 years for males and 7 years for females.

In addition, the tables provide for future improvements in mortality from the base year of 2010 using a generational approach based on the plan actuary's modified MP-2020 projection scale. Post-mortality rates were based on the Pub-2010 Combined Healthy Male and Female Mortality Tables (setback 1 year for males and females) for service retirements and beneficiaries of former members and a one-year static projection based on mortality improvement Scale AA. In addition, the tables for service retirements and beneficiaries of former members provide for future improvements in mortality from the base year of 2010 using a generational approach based on the plan actuary's modified MP-2020 projection scale.

Disability retirement rates used to value disabled retirees were based on the Pub-2010 Disabled Mortality Table (set back 3 years for males and set forward 1 year for females).

The actuarial assumptions used in the July 1, 2019, evaluation was based on the results of an actuarial experience study for the period July 1, 2014, to June 30, 2020. It is likely that future experience will not exactly conform to these assumptions. To the extent that actual experience deviates from these assumptions, the emerging liabilities were higher or lower than anticipated. The more the experience deviates, the larger the impact on future financial statements.

In accordance with State statute, the long-term expected rate of return on plan investments (7.00% on June 30, 2020, is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pensions and Benefits, the board of trustees and the actuaries.

##### Actuarial Assumptions – Continued

The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Best estimates of arithmetic rates of return for each major asset class included in PERS's target asset allocation as of June 30, 2020, as summarized in the following table:

| Asset Class                       | Target Allocation | Long-Term Expected Real Rate of Return |

##### Discount Rate

The discount rate used to measure the total pension liability was 7.00% as of June 30, 2020. This single blended discount rate was based on the long-term expected rate of return on pension plan investments of 7.00%, and a municipal bond rate of 2.21% as of June 30, 2020, based on the Bond Buyer Go 20-Bond Municipal Bond Index which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher.

The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers will be made based on the most recent fiscal year.

## Notes to Financial Statements

December 31, 2021

### **NOTE 17 – ACCRUED PENSION LIABILITY - CONTINUED**

#### Discount Rate -Continued

The State employer contributed 70% of the actuarially determined contributions and the local employers contributed 100% of their actuarially determined contributions. Based on those assumptions, the plan's fiduciary net position was projected to be available to make projected future benefit payments of current plan members through June 30, 2057.

Therefore, the long-term expected rate of return on plan investments was applied to projected benefit payments after that date in determining the total pension liability.

#### Sensitivity of the Net Pension Liability to the Discount Rate Assumption

The following presents the current-period net pension liability of the employers calculated using the current-period discount rate assumption of 7.00% percent, as well as what the net pension liability would be if it were calculated using a discount rate that is 1 percentage-point lower (6.00% percent) or 1 percentage-point higher (8.00% percent) than the current assumption (in thousands). Sensitivity of the Authority's proportionate share of the Net Pension Liability due to change in the Discount Rate:

Effective January 1, 2012, HUD was required to control the disbursement of funds in such a way that the Authority does not receive funds before they are needed, resulting in the re-establishment of HUD held program reserves to comply with the Treasury requirements. HUD held reserve is a holding account at the HUD level that maintains the excess of HAP funds that have been obligated (ABA) but undisbursed to the Authority. The excess HAP funds will remain obligated but not disbursed to the Authority. HUD will hold these funds until needed by the Authority. The amount of HUD held reserves for the Authority on December 31, 2021, was \$1,408,802.

## Housing Choice Voucher Program - Reserves

Administrative fee paid by HUD to the Authority in excess of administrative expenses are also part of the undesignated fund balance and are considered to be administrative fee reserves. Administrative fee reserves accumulated prior to January 1, 2005 are subject to all requirements applicable to administrative fee reserves including, but not limited to, 24 CFR 982.155 – i.e. other housing purposes permitted by state and local law. Excess administrative fees earned in 2005 and subsequent years must be used for activities related to the provision of tenant based rental assistance authorized under Section 8 of the United States Housing Act of 1937, including related development activities.

## Notes to Financial Statements

December 31, 2021

### **NOTE 21 – CONTINGENCIES AND COMMITMENTS**

Litigation – On December 31, 2021, the Authority was not involved in any threatened litigation.

#### Contingencies

The Authority is subject to possible examinations made by federal and state authorities who determine compliance with terms, conditions, laws, and regulations governing other grants given to the Authority in the current and prior years. There were no such examinations for the years ended December 31, 2021.

#### Other Insurance

The Authority is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets; injuries to employees; errors and omissions; natural disasters; etc. These risks are covered by commercial insurance purchased from independent third parties. Settled claims from these risks have not exceeded commercial insurance coverage for the past three years.

#### Unemployment Insurance

The Authority provides unemployment insurance through direct billings from the New Jersey Unemployment Insurance Fund. For the year ended December 31, 2021, the Authority paid no benefits from the unemployment reserve. On December 31, 2021, the Authority did not recognize a liability for unpaid, unasserted claims, if any, as these would be deemed immaterial.

#### National Health Emergency

The United States is presently during a national health emergency related to the COVID-19 virus (coronavirus). The overall consequences of coronavirus on a national, regional and local level are unknown, but has the potential to result in a significant economic impact. On March 27, 2021, the President of the United States signed the Coronavirus Aid, Relief, and Economic Security (CARES) Act into law to provide additional funding to Public Housing Authority's to prevent, prepare for and respond to coronavirus, including to maintain normal operations during the period the program was impacted. During the year ended December 31, 2021, the Authority received a \$332,066 in total CARES Act funding of which \$13,184 was unspent. The overall impact of this situation on the Authority and its future results and financial position is not presently determinable.

### **NOTE 22 - ANNUAL CONTRIBUTIONS BY FEDERAL AGENCIES**

Annual Contributions Contracts for the Section 8 Housing Choice Voucher Program to provide for housing assistance payments to private owners of residential units on behalf of eligible low or very low-income families. The programs provide for such payment with respect to existing housing covering the difference between the maximum rental on a dwelling unit, and the amount of rent contribution by the participating family and related administrative expense. HUD contributions for the Section 8 Housing Choice Voucher for December 31, 2021, were in the amount of \$9,165,024.

### Notes to Financial Statements

December 31, 2021

#### **NOTE 23 - CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS**

The Authority operations are concentrated in the low-income housing real estate market. In addition, the Authority operates in a heavily regulated environment. The operations of the Authority are subject to the administrative directives, rules, and regulations of federal, state, and local regulatory agencies, including, but not limited to HUD. Such administrative directives, rules, and regulations are subject to change by an act of congress, or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

Total financial support by HUD was \$9,546,870 to the Authority which represents approximately 93% percent of the Authority's total revenue for the year ended December 31, 2021.

#### **NOTE 24 - RELATED PARTIES**

The Housing Authority of the City of Englewood charged the Westmoor Gardens, Inc. for administrative expenses, salaries, and payroll related expenses with \$31,219 remains a receivable on December 31, 2021. Administrative expenses, salaries and payroll related expenses, and other charges as of December 31, 2021, consisted of:

|                          | December-21       |
|--------------------------|-------------------|
| Administrative Salaries  | \$ 149,593        |

#### **NOTE 25 – SUBSEQUENT EVENTS**

##### **Coronavirus Pandemic:**

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the U.S. have declared a state of emergency. It is anticipated that these impacts will continue for some time. There has been no immediate impact to the Authority's operations. Future potential impacts may include disruptions or restrictions on our employees' ability to work or the tenant's ability to pay the required monthly rent. Operating functions that may be changed include intake, recertification and maintenance. Changes to the operating environment may increase operating costs. Additional impacts may include the ability of tenants to continue making rental payments as a result of job loss or other pandemic related issues. The Authority already received additional operating subsidy from HUD to offset these expenses.

##### Hurricane Ida

On September 1, 2021, Hurricane Ida caused dangerous flooding across New Jersey. The Authority was in the affected area of the storm. The storm flash flood impacted the Authority senior building for a total of one hundred fifty-two (152) apartments need to be evacuated due to the with flood damage to the entire building which all of the tenants were displace to move to a hotel or with a family member.

The Authority purchased flood insurance in the current and previous years. As of September 16, 2022, all the tenants have not returned to their units with a preliminary date of June 1, 2024. Per Management, the estimated amount of damage is to be at \$15 million dollars. The insurance company has not made their final cost estimate for the damage. Management already applied for FEMA funds to cover any shortfall of expenses. The Town of Englewood has been asked to sponsor FEMA application for the hotel relocation cost of the tenants estimated to be about \$4 million dollars.

In the opinion of Authority, any liability resulting from excess expenses should not be material in relation to the Authority financial position and results of operations as the cost of the damage would be covered by insurance and FEMA funds.

Events that occur after the statement of net assets date but before the financial statements were available to be issued, must be evaluated for recognition or disclosed. The effects of subsequent events that provide evidence about conditions that existed after the statement of net assets date required disclosure in the accompanying notes. Management has evaluated the activity of the Authority thru September 16, 2022; the date which the financial statements were available for issue and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT  
AUDITING STANDARDS**

Board of Commissioners  
Housing Authority of the City of Englewood  
111 West Street  
Englewood, New Jersey 07631

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities business type activities and blended component unit of Housing Authority of the City of Englewood, as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise Housing Authority of the City of Englewood's basic financial statements, and have issued our report thereon dated September 16, 2022.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Housing Authority of the City of Englewood's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Housing Authority of the City of Englewood's internal control. Accordingly, we do not express an opinion on the effectiveness of Housing Authority of the City of Englewood's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis.

A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Housing Authority of the City of Englewood's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR  
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER  
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Board of Commissioners  
Housing Authority of the City of Englewood  
111 West Street  
Englewood, New Jersey 07631

**Report on Compliance for Each Major Federal Program  
*Opinion on Each Major Federal Program***

We have audited Housing Authority of the City of Englewood's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Housing Authority of the City of Englewood's major federal programs for the year ended December 31, 2021. Housing Authority of the City of Englewood's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Housing Authority of the City of Englewood complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Housing Authority of the City of Englewood and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Housing Authority of the City of Englewood's compliance with the compliance requirements referred to above.

### ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Housing Authority of the City of Englewood's federal programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Housing Authority of the City of Englewood's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Housing Authority of the City of Englewood's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Housing Authority of the City of Englewood's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Housing Authority of the City of Englewood's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Housing Authority of the City of Englewood's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### ***Opinion on Each Major Federal Program***

In our opinion, Housing Authority of the City of Englewood complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

### **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis.

*A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

*A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified. Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

We were engaged by Housing Authority of the City of Englewood to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the AICPA. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on UFRS Rule Information. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of REAC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of Housing Authority of the City of Englewood and REAC, and is not intended to be, and should not be, used by anyone other than these specified parties.
